## La chanson de l'étape

### Sweet Caroline

Where it began

I can't begin to knowin'

But then I know it's growin' strong

Was in the spring

And spring became the summer

Who'd have believed you'd come along

Hands, touchin' hands

Reachin' out

Touchin' me

Touchin' you

Sweet caroline

Good times never seemed so good

I've been inclined

To believe they never would

But now i

Look at the night

And it don't seem so lonely

We fill it up with only two  
And when I hurt  
Hurtin' runs off my shoulders  
How can I hurt when I'm with you

Warm, touchin' warm  
Reachin' out  
Touchin' me  
Touchin' me

Sweet caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
Oh, no, no

Sweet caroline  
Good times never seemed so good  
I've been inclined  
I believed they never could  
Sweet caroline
