## La chanson de l'étape

### **Some Enchanted Evening**

Some enchanted evening  
You may see a stranger  
You may see a stranger  
Across a crowded room  
And somehow you know,  
You know even then  
That somewhere  
You'll see her again and again

Some enchanted evening,  
Someone may be laughing  
You may hear her laughing  
Across a crowded room  
And night after night,  
As strange as it seems  
The sound of her laughter  
Will sing in your dreams

Who can explain it,  
Who can tell you why  
Fools give you reasons,  
Wise men never try

Some enchanted evening,  
When you find your true love  
When you feel her call you  
Across a crowded room  
Then fly to her side  
And make her your own  
Or all through your life  
You may dream all alone

Once you have found her,  
Never let her go
