**At 6 :00 ?pm there are many cars in the street,  
but at 6:00 am there were few**

**And there is much noise now,  
while there was little noise this morning**

In winter, there is much rain and there are many clouds

On the highway, there are many cars and there is much traffic

In the freezer, there is much food and there are many ice-creams

On the table , there is much bread and there are many apples

A rich man has much money and many dollars.

In Summer, there are few clouds and there is little rain.

On a country road, there are few cars and there is little traffic

A poor man has little money and few dollar-bills.

In Siberia, there are few people and there is much snow.

In a library , there are many books and there is much dust.

We won't go to Cannes in August because there is too much traffic and there are too many people

I prefer to fly to Cannes, instead of driving because there is too much danger and there are too many accidents

My car offers more seats and more space than your car

Today , there are more ( fewer) windstorms than yesterday

## La chanson de l'étape

### **It had to be you**

It had to be you, it had to be you,  
I wandered around an' finally found  
Somebody who  
Could make me be true  
Could make me be blue  
And even be glad, just to be sad, thinkin' of you,  
Some others I've seen  
Might never be mean  
Might never be cross, or try to be boss,  
But they wouldn't do  
For nobody else gave me a thrill,  
With all your faults, I love you still,  
It had to be you, wonderful you, it had to be you!

Some others I've seen  
Might never be mean  
Might never be cross, or try to be boss,  
But they wouldn't do  
Nobody else gave me a thrill,  
With all your faults, I love you still,  
It had to be you, wonderful you, it had to be you!  
It just had to be you!
