We can toast the moon sitting by a fire  
And then walk hand in hand for others to admire

Are you the one to paint the town so brightly?  
Are you the one I simply can't ignore?  
Are we the pair that dance together nightly?  
Are you the one that I have waited for?

We can sail the seas on an ocean liner and then drink pink champagne  
Our life could be no finer

Are you the one to paint the town so brightly?  
Are you the one I simply can't ignore?  
Are we the pair that dance together nightly?  
Are you the one that I have waited for?

Are you the one?  
Are you the one?  
Are you the one?  
Oh are you the one?
