La chanson de l'étape

How much is that dog in the window ?

How much is that doggie in the window? (arf! arf!)
The one with the waggley tail
How much is that doggie in the window? (arf! arf!)
I do hope that doggie's for sale

I must take a trip to California
And leave my poor sweetheart alone
If he has a dog, he won't be lonesome
And the doggie will have a good home

How much is that doggie in the window? (arf! arf!)
The one with the waggley tail
How much is that doggie in the window? (arf! arf!)
I do hope that doggie's for sale

I read in the paper there are robbers (roof! roof!)
With flashlights that shine in the dark
My love needs a doggie to protect him
And scare them away with one bark

I don't want a bunny or a kitty
I don't want a parrot that talks
I don't want a bowl of little fishies
He can't take a goldfish for a walk

How much is that doggie in the window? (arf! arf!)
The one with the waggley tail
How much is that doggie in the window? (arf! arf!)
I do hope that doggie's for sale
I do hope that doggie's for sale
